SO PURE™
BEVERAGE TECHNOLOGY

PLATINUM

A NEW NAME. A NEW GENERATION.

Our passion and perfection is endorsed through our seal of quality. Inspired by seals found on antique coffee brewing machines, you can rest assured that when you see the So Pure seal, perfection through passion is guaranteed.

PLATINUM ESPRESSO

Smell the aroma of freshly ground beans and see the unrivalled style of our platinum range.

High quality Swiss brew system

Superior coffee quality

High quality pump and grinder

Go large or go de-caff option

Particularly suitable for Office Coffee Service, hotel and catering businesses and convenience stores

PLATINUM CURVE

Beautiful curves delivering beautiful drinks

If variety and style is what you're looking for then you've found it. All your favourite drinks options delivered at the touch of a button. But that's not all, the unique design found on the So Pure Platinum Curve will add style to any environment.

PLATINUM FRESH BREW PAPER

Create your personal perfect coffee

The So Pure Platinum Fresh Brew is a real asset – your guests and staff receive a 100 percent customized taste. That even goes so far that the machine can dispense two types of fresh brew coffee with the option of de-caff. Naturally, you can also select the strength of each beverage with this member of the So Pure family.

However, tastes differ, the opinions on the design of this machine are unanimous. The stylish shape is combined with all kinds of technical highlights. These include the original King brewer unit. The intelligent cup sensor and, not to be forgotten, the variable drink strength and the easily adjustable dispense height.

PLATINUM INSTANT

Pamper yourself with your favourite drink

Tastes differ. And that is not a problem. With the So Pure NOVA Instant you drink the coffee with the taste that you prefer. Simple: you dispense your coffee with the ideal strength. Would you prefer a fresh cup of tea or a steaming cup of soup? They are prepared in seconds through the separate hot water dispenser. The So Pure NOVA Instant makes it nice and easy for you. The stainless steel door reflects quality. An option you can choose is a digital photo frame. You can use this for a presentation of your company, news, services or branding products. Where better to advertise than when the drink is being dispensed?

SO PURE
BEVERAGE TECHNOLOGY

PLATINUM INSTANT HIGH CAPACITY

Select your preference from a fantastic selection

No matter how much coffee, tea, soup or hot chocolate is drunk, it is never too much for the So Pure Instant High Capacity. With its high capacity and huge boiler volume of 12 litres, the machine can dispense beverages non-stop. And there is more than just enjoyment of fresh quality. It is combined with a fantastic range: the So Pure Instant High Capacity has a selection of up to 16 hot beverages. The reliable technology guarantees problem-free operation. This has also been proven in environments where the machine is used intensively. With proven technology it offers trouble free operation in high volume locations.
